

The Top Five Things You Can Do With Our Catalog

1. You can search for library materials by title, subject, author, series, words/phrase, or periodical title.
2. Not only can you look for books at Melvindale, but you can also find out if the item you'd like is at any other TLN-affiliated library!
3. You can search specifically for books, large print items, music, audiobooks, and movies!
4. You can keep track of what you've been reading by signing up for My Reading Log!
5. You can keep track of the books you have checked out, as well as place holds and renew books, through the "My Account" tab!
